RIVER'S EDGE

Hospital & Clinic at St. Peter

Why DIRECT Access Laboratory Testing

Direct Access Laboratory Testing allows you to manage your healthcare without seeing your doctor.

River's Edge Hospital provides you the option to order selected lab tests, on your own, from a limited menu.

Testing is done by the trained and licensed professionals at River's Edge in compliance with regulatory agencies, ensuring accurate and precise results.

You may choose Direct Access Laboratory Testing if you:

- Wish to have more testing than your health plan will cover.
- Want to assess and manage your health status on a regular basis.
- Are uninsured or have a high deductible and want to take advantage of lower out of pocket expenses.

Lab tests must be paid for in advance. River's Edge Hospital accepts Visa, MasterCard, check or cash payment.
